

Book Club in a Bag

Discussion Leader's Tracking Sheet

Below is a sheet designed to help you keep track of the copies of the books in your kit. We encourage you to use the sheet as a way to ensure that all copies are accounted for, to avoid any overdue charges. Each book in the kit is assigned a copy number (found on the front of each book). Please record the name of each recipient beside his/her copy number. That way you will be able to know who has or hasn't returned their copy to you. You can keep this sheet for your own records.
