

eBooks for your iPad, iPhone, or iPod Touch

To use your iPad, iPhone, or iPod Touch to read eBooks from Idea Exchange, complete the following steps.

1. Connect to the Internet

- From the home screen, press the **Settings** icon.
- Select **Wi-Fi** to view available networks. Connect to your network of choice.

2. Get the Libby App

*You will only need to complete this step one time.

- From the home screen, press the **App Store** icon.
- Search for 'Libby, by OverDrive', and **Install**.
- Once the app is installed, return to the home screen.

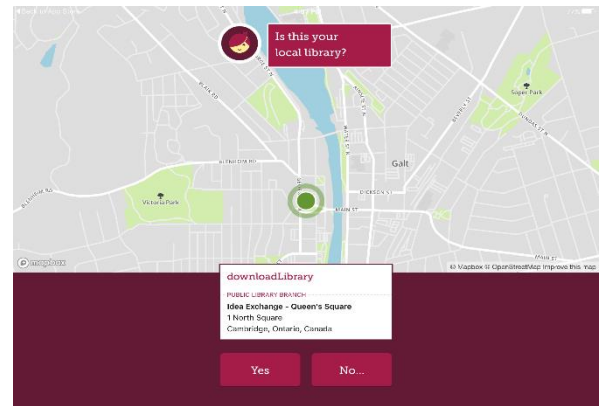

3. Use the Libby App

The app should appear as an icon on your apps page. Open the icon.

a. Find your Library

Click on **Find my Library**. If location access is enabled, Libby will find your closest library branch. If location access is not enabled, enter the Library Name, City, or Postal Code.

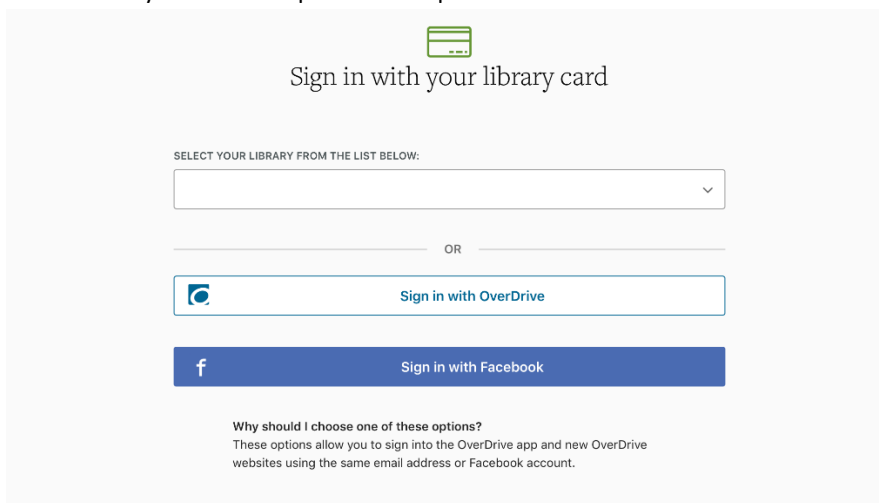

* You will only need to complete this step one time.

b. Add your Card

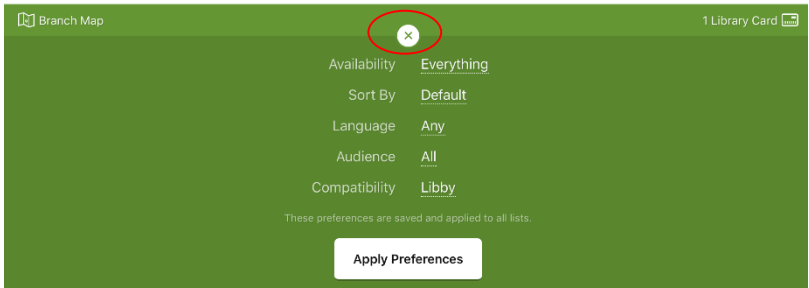

Click on **Add Your Card**. Select "Cambridge Libraries and Galleries" from the list of Libraries and enter your card number.

*You will only need to complete this step one time.

c. Get Books

i. Search for eBooks or audiobooks. To filter based on preferences, click the plus (+) sign in the center of the screen. Once you have selected your preferences, tap **Apply Preferences**.

ii. To borrow a title, tap the cover and select **Borrow**. If you are not signed in, you will be prompted to select your library and enter your library card. Once you are signed in, a new window will appear.

To alter the loan period, click on the underlined 'X days' and adjust the borrowing time. Click on **Borrow!** when you are ready to check out.

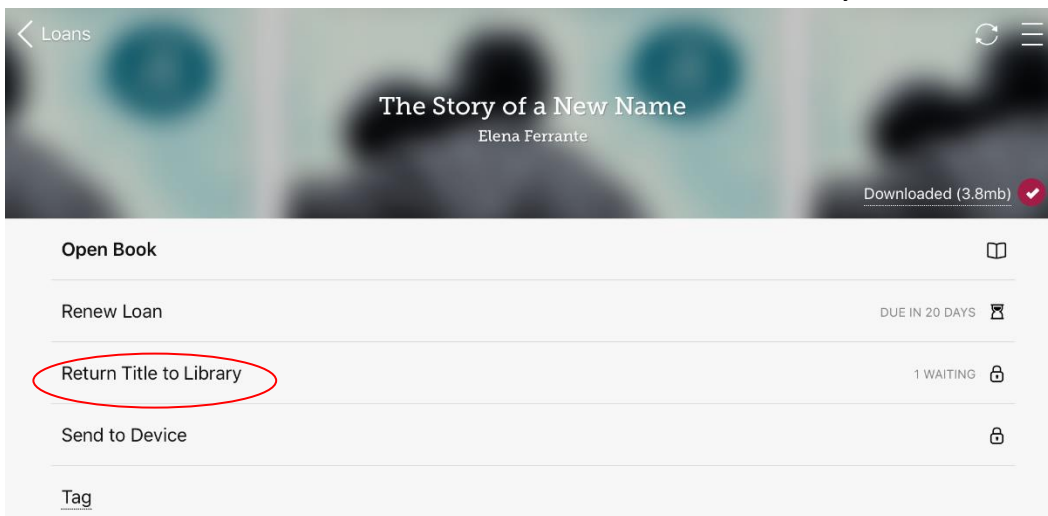

iii. Two options will appear: Keep Browsing or Go to Shelf. To immediately access the book, click **Go to Shelf**.

d. Read your Books

i. Once the book is checked out, select **Shelf** at the bottom of the screen and click **Open Book**. Libby downloads all loans by default.

e. Return/Delete Books

i. From **Shelf**: **Press and hold** the book cover, and choose **Return Title to Library**
